During the fall season volleyball and football teams travel together on the same bus to-and-from away games. Naturally, both events need to be finished for us to return to Grapeview. As some matches last longer than others, return times are approximate. Parents and guardians, we look forward to your support during games. If you cannot make it to away games, having a way to communicate with your athlete will provide the most accurate time for our return to school.

Board policy 6620 allows for the Grapeview School District to provide the transportation of students to-and-from a school sponsored activity. It is permissible for the legal parent or guardian to transport their **own** child from an event in their personal vehicle, if they first identify themselves to the teacher/coach of the activity **and** sign the release form which absolves the Grapeview School District of all responsibility. Students may **only** go home with their **own** parent or legal guardian and **may not** take "friends" home or go home with another family. Please contact our principal, Mrs. Josie Bean, if you wish to transport students for whom you are not the legal guardian.
