EMERGENCY INFORMATION FOR SCHOOL DELAYS

The following is information parents need to know in the event of school closures or delays due to weather conditions or other situations in which the school day is altered due to unforeseen conditions.

NOTIFICATION TO STUDENT FAMILIES

If the school day is altered families will be notified in several ways as soon as the decision is made. The District watches weather forecasts, sends personnel out to assess road conditions, and monitors the decisions of surrounding schools to determine the safest course of action. Once a decision is made notification will be sent immediately to families via the following notification systems:

AUTOMATED PHONE CALL – A District recorded message will be sent via the phone number that we have on file at the school in your student record file.

SKYWARD EMAIL - A District generated email will be sent to the email address that we have on file at the school in your student record file.

DISTRICT WEBPAGE & BLOOMZ– Notice will be posted on the first page of the District’s webpage at www.gsd54.org.

INTERNET ACCESS - To check on the status of a school delay or closure bookmark the web site www.flashalert.net - Text message notification and/or email message. This service requires a sign-up process please refer to the attached for instructions.

TELEVISION - Information is posted on all the local news networks; KING, KOMO, Q13 and KIRO

Generally, school information will be posted no later than 6:10 am. Keep in mind, weather sometimes changes even within the hour. The decision to open school on time or two hours late could be changed to “two hours late” or even “closed,” if the weather turns severe after our initial assessment. ***Check back with one of the above sources prior to sending your student off to the bus stop.***

If the message is:

TWO HOURS LATE

- Bus pick-up times will be two hours late
- All classes start two hours late
- Dismissal times remain the same
