

Dear Grapeview Families,

The United States Department of Agriculture (USDA) has recently announced additional food benefits to eligible families during the COVID-19 pandemic. These benefits will be offered in addition to the current program which offers free lunch and breakfast to all children under the age of 18.

To qualify for these additional benefits, families must be approved for free or reduced lunch for the 2020-2021 school year. If you have not already done so, please take a moment to complete an online food service application. If approved, you will be automatically enrolled in the program.

The online food service application can be found in your Family Access account under the Food Service tab. If you have already been approved for the 2020-2021 school year, a message will appear at the top of the page indicating your approval, and no need to submit a food service application.

Please note that we will be providing more information as it becomes available.

If you have any questions or are unable to access the application and need a paper copy, please feel free to contact me at: [smagera@gsd54.org](mailto:smagera@gsd54.org) or 360-426-4921 ext. 1012.

Sincerely,

Shari Magera  
Administrative Assistant  
Grapeview School District
